

Acceptable Use Policy

THIS ACCEPTABLE USE POLICY ("AUP") FORMS AN INTEGRAL PART OF THE MASTER SUBSCRIPTION AGREEMENT ("MSA") BETWEEN YOU AND WANAWARE, INC. ("WANAWARE") THAT GOVERNS YOUR USE OF WANAWARE SERVICES AND THE PLATFORM. CAPITALIZED TERMS USED BUT NOT DEFINED BELOW, SHALL HAVE THE MEANING SET FORTH IN THE MSA. YOUR CONTINUED USE OF THE SERVICES AND THE PLATFORM WILL BE DEEMED ACCEPTANCE OF THIS AUP.

You must comply with the following code of conduct in your use of the Services:

- Be polite and courteous. Respect and treat others as you would expect to be treated yourself.
- Respect the general public. Use of the Services should not be used to upset, annoy, threaten, harass, abuse or embarrass others.
- The Services may not be used to further material that is defamatory, obscene, indecent, abusive, offensive, harassing, violent, hateful, inflammatory or otherwise objectionable.
- Be fair and transparent in the use of the Services with any persons you may engage with.

Prohibited Uses

You must not access or use the Services in any manner:

- That violates any applicable federal, state, local or international law or regulation, or advocates, promotes or assists in any unlawful act, constitutes an illegal threat or violates export control laws, or any other Applicable Law.
- That violates the rights, or facilitates the violation of rights by a third-party, of any person or entity or that may give rise to civil or criminal liability under laws or regulations applicable to you, another user, and/or WanAware, including violation of privacy or publicity rights, infringement of any copyright, patent, trademark, trade secret or other intellectual property right, or conflicts with the WanAware Policies.
- Creates an imminent risk to a person's safety or health, creates a risk to public safety or health, compromises national security or interferes with an investigation by law enforcement or government authorities.
- To transmit or introduce offensive materials, including those involving profanity, violence, sexual conduct, pornography or discrimination based on race, sex, religion, nationality, disability, sexual orientation or age.

- To monitor or attempt to gain unauthorized access to: (a) an account, computer or other electronic device not belonging to you; (b) any data, information or communications on any network or system not owned by you, without authorization; (c) any system or network user accounts or passwords of other users, without authorization; or (d) e-mail addresses, screen names or other identifiers without the consent of the person identified (including, but not limited to, phishing, password robbery, spidering and harvesting).
- That is false, deceptive, misleading or fraudulent, including but not limited to: (a) any attempt to impersonate any person or entity, including any other user, WanAware or a WanAware employee, officer, agent or representative; (b) any attempt to misrepresent your identity or affiliation with any person or organization; and (c) any attempt to give the impression that you are processing or managing materials from any person or entity other than yourself if that is not the case, including but not limited to altering your IP source address.
- To use, transmit or introduce, in violation of Data Protection Laws: (a) information protected under the privacy or security regulations issued pursuant to the Health Insurance Portability and Accountability Act of 1996 (HIPAA) or subject to the Health Information Technology for Economic and Clinical Health (HITECH) Act; or (b) non-public sensitive or personally identifiable information including but not limited to driver's license numbers, passport numbers, social security numbers, tax identification numbers, voter registration numbers or similar identifying numbers, health information, or financial information including bank, checking, credit card, debit card, or other account numbers except as necessary and in connection with a transaction.
- For the purposes of recruiting, advertising, solicitation or commercial activities of any kind without the express written consent of WanAware, including, but not limited to: (a) promotions, contests, sweepstakes, barter, advertising or pyramid schemes; and (b) the transmission of, or procurement of sending, any advertising or promotional material, including any "junk mail", "chain letter" or "spam" or any other similar solicitation, regardless of it being banned by Applicable Law or not, or in a manner that is unfair, malicious or deceptive under the consumer protection laws of any jurisdiction, including chain letters and pyramid schemes.
- To monitor or copy materials on the Services for any unauthorized purpose or access the Services via any automatic device, process or means of access such as a robot, a proxy system or a spider.
- That may have a detrimental effect on the Services' functions or functionalities, features, user interactions or security, including but not limited to: (a) gaining unauthorized access to, or attempting to compromise the security of, any network, system, computing facility, administrative office, equipment, data or information; (b) attempting to intercept, redirect or otherwise interfere with communications intended for others; (c) disabling, damaging, overburdening or impairing the Services or any server, computer or database connected to or accessed by the Services; (d) modifying, blocking or otherwise interfering with

the display of the Services; (e) interfering with another user's ability to access, use and enjoy the Services; (f) accessing another user's registration information or user account without that user's express written permission; (g) transmitting or introducing any malicious or technologically harmful element to the Services such as a spyware program, virus, Trojan horse, worm or logic bomb; (h) performing, without WanAware's express prior written authorization, scalability testing, load testing, probing, scanning, penetration or vulnerability testing of the Services; and (i) engaging in any activities that results in any server being the target of cyber-attack, such as a denial of service attack.

Copyrighted Material

You may not use WanAware's Services to download, publish, distribute, or otherwise copy in any manner any text, music, software, art, image or other work protected by copyright law unless:

- you have been expressly authorized by the owner of the copyright for the work to copy the work in that manner; or
- you are otherwise permitted by established United States copyright law to copy the work in that manner; or
- you come within the DMCA "safe harbor" under United States copyright law.

It is WanAware's policy to suspend and/or terminate in appropriate circumstances the Services to Customers who infringe upon these rights.
