

ACCEPTABLE USE POLICY

Effective Date: {{SigningDate}}

This Acceptable Use Policy ("AUP") governs the use of WanAware services by {{CompanyName}} ("User").

1. PROHIBITED ACTIVITIES

User agrees NOT to use WanAware services to:

a) ILLEGAL ACTIVITIES

- Violate any applicable laws or regulations
- Engage in fraudulent activities
- Distribute illegal content

b) SECURITY VIOLATIONS

- Attempt unauthorized access to systems or networks
- Distribute malware, viruses, or malicious code
- Conduct network attacks (DDoS, port scanning, etc.)
- Intercept or monitor data without authorization

c) NETWORK ABUSE

- Send unsolicited bulk messages (spam)
- Engage in activities that disrupt services
- Exceed allocated bandwidth or resources
- Circumvent usage limits or restrictions

d) CONTENT VIOLATIONS

- Distribute copyrighted material without authorization
- Host or transmit harmful or offensive content
- Impersonate others or misrepresent identity

2. USER RESPONSIBILITIES

User agrees to:

- Maintain security of access credentials
- Report security vulnerabilities promptly
- Cooperate with investigations of policy violations
- Ensure end-users comply with this AUP

3. MONITORING AND ENFORCEMENT

WanAware reserves the right to:

- Monitor usage for compliance
- Investigate suspected violations
- Suspend or terminate service for violations

d) Report illegal activities to authorities

4. CONSEQUENCES OF VIOLATION

Violations may result in:

- a) Warning notification
- b) Temporary suspension of services
- c) Permanent termination of services
- d) Legal action

5. MODIFICATIONS

WanAware may modify this AUP at any time with 30 days notice.

ACKNOWLEDGMENT

I, {{SignerName}}, on behalf of {{CompanyName}}, acknowledge that I have read, understand, and agree to comply with this Acceptable Use Policy.
